1. Paper Plate Masks

STEPHANIE CORFEE

These masks are easy to make and can be decorated in any way your child wants. They're perfect for a fun afternoon of dress-up or a dramatic performance.

Materials:

- Paper plates

- Markers, crayons, or paint
- Scissors
- String or yarn

Instructions:

1. Cut out the center of a paper plate to create the mask shape.
2. Draw or paint on the mask to create your desired design.
3. Punch two holes at the top of the mask and thread string or yarn through them to create ties.
4. Tie the strings or yarn around your child's head to secure the mask in place.

2. Cardboard Box Car

STEPHANIE CORFEE

This cardboard box car is a fun and easy way to get kids active and imaginative. They can pretend to drive it around the house, use it as a playhouse, or even race it against other cars.

Materials:

- Large cardboard box

- Scissors
- Tape or glue
- Markers, crayons, or paint
- Optional: Wheels (made from cardboard, plastic lids, or other materials)

Instructions:

1. Cut out the top and bottom flaps of the cardboard box to create the car body.
2. Tape or glue the sides of the box together to secure the body.
3. Cut out windows and doors in the sides of the box.
4. Decorate the car with markers, crayons, or paint.
5. Optional: Attach wheels to the bottom of the car to make it rollable.

3. Painted Rocks

Painted rocks are a fun and easy way to add some color and creativity to your home or garden. They're also a great way to get kids involved in nature.

Materials:

- Smooth rocks

- Acrylic paint
- Paintbrushes

Instructions:

1. Wash the rocks thoroughly to remove any dirt or debris.
2. Apply a base coat of acrylic paint to the rocks.
3. Once the base coat is dry, use paintbrushes to draw or paint designs on the rocks.
4. Allow the rocks to dry completely before displaying them.

4. Friendship Bracelets

Friendship bracelets are a fun and easy way to show your friends how much you care. They're also a great way to get kids involved in creative activities.

Materials:

- Embroidery floss or yarn

- Scissors
- Optional: Beads or charms

Instructions:

1. Cut several pieces of embroidery floss or yarn to desired length.
2. Tie the pieces of floss or yarn together at one end to create a loop.
3. Braid or knot the floss or yarn together to create the bracelet.
4. Optional: Add beads or charms to the bracelet for decoration.
5. Tie or knot the ends of the floss or yarn together to secure the bracelet.

5. Perler Bead Art

STEPHANIE CORFEE

Perler bead art is a fun and easy way to create pixelated art projects. It's perfect for kids of all ages, and it can be used to make a variety of different projects, from simple designs to more complex creations.

Materials:

- Perler beads

- Perler bead pegboard
- Iron
- Ironing paper

Instructions:

1. Place the Perler beads on the pegboard to create your desired design.
2. Cover the beads with ironing paper.
3. Iron the beads on low heat until they melt together.
4. Allow the beads to cool completely before removing them from the pegboard.

6. Clay Pots

Clay pots are a great way to add some personality to your home or garden. They're also a fun and easy project for kids of all ages.

Materials:

- Air-dry clay
- Rolling pin

- Cookie cutters or other shapes
- Paint or glaze

Instructions:

1. Roll out the air-dry clay to a thickness of about 1/4 inch.
2. Use cookie cutters or other shapes to cut out shapes from the clay.
3. Place the clay shapes on a baking sheet and allow them to dry completely.
4. Once the clay is dry, paint or glaze the pots as desired.

7. Duct Tape Wallets

Duct tape wallets are a fun and easy way to keep your money and cards organized. They're also a great way to use up leftover duct tape.

Materials:

- Duct tape
- Scissors
- Optional: Velcro or other closure

Instructions:

1. Cut a piece of duct tape to desired length.
2. Fold the duct tape in half lengthwise, sticky sides together.
3. Fold one end of the duct tape over to create a flap.
4. Insert your cards and money into the wallet.
5. Fold the other end of the duct tape over the flap to secure the wallet.
6. Optional: Add Velcro or other closure to keep the wallet closed.
