Through the Gates of Hell

Our young heroes, guided by the enigmatic poet Virgil, venture into the fiery abyss of Hell, where they encounter a myriad of tormented souls. Witness the tragic tale of Francesca da Rimini, whose love for her brother-in-law sealed her fate in the second circle, and tremble at the sight of the three-headed monster, Cerberus, guarding the third circle.

Ascending the Mountain of Purgatory

Emerging from the horrors of Hell, our young explorers ascend the arduous slopes of Purgatory. Here, they encounter souls undergoing purification for their sins. Witness the humility of those in the Valley of the Princes, and the trials of the proud and haughty in the Terrace of Envy.

Ascend the mountain of Purgatory, a place of hope and transformation, where souls strive for redemption.

Reaching the Celestial Heights of Paradise

Continuing their extraordinary journey, our young heroes finally reach the celestial heights of Paradise. Here, they behold the radiant presence of God and witness the beauty and harmony of the heavenly spheres.
