Materials

- Seed beads (size 6/0 or 8/0)
- Earring hooks
- Beading needle
- Beading thread
- Scissors

Instructions

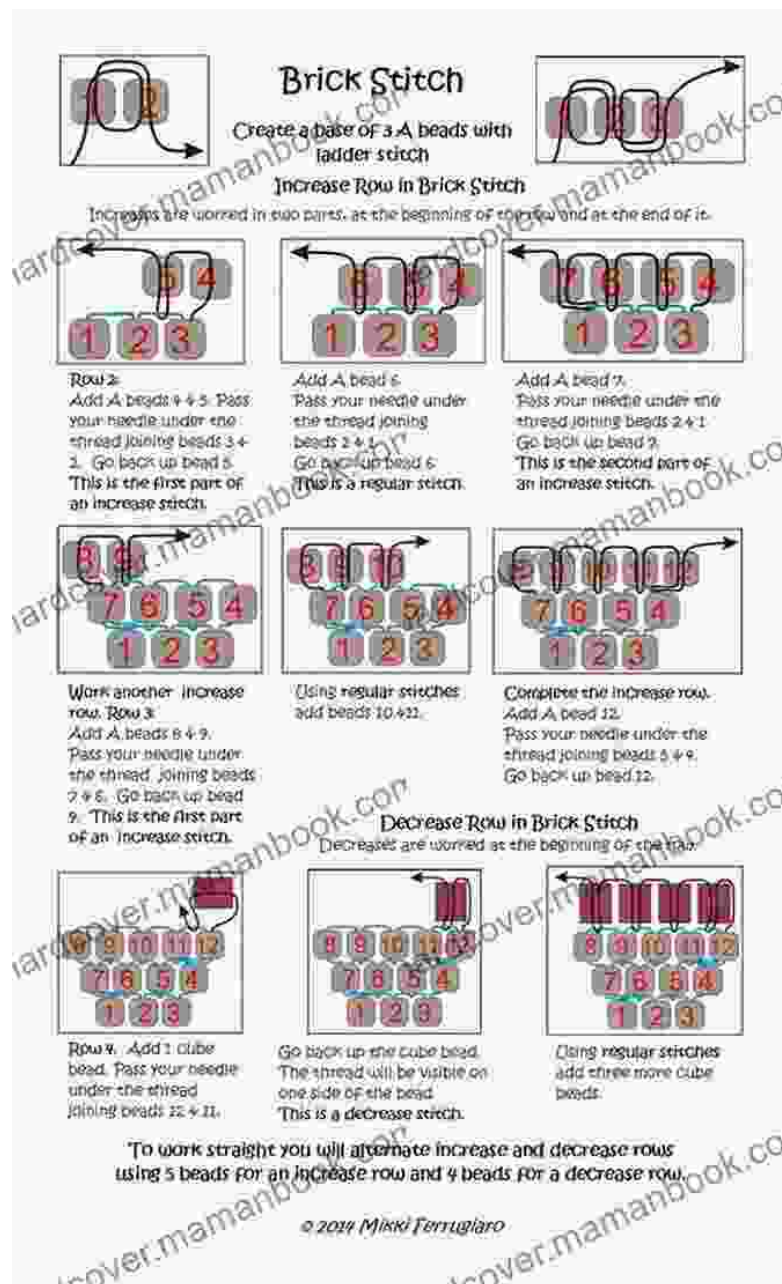

1. Cut a length of beading thread about 24 inches long. Thread the needle onto the thread and tie a knot at the end.

- Thread 3 seed beads onto the needle and slide them down to the knot.
- Bring the needle back through the second bead from the bottom, as shown in the diagram below.

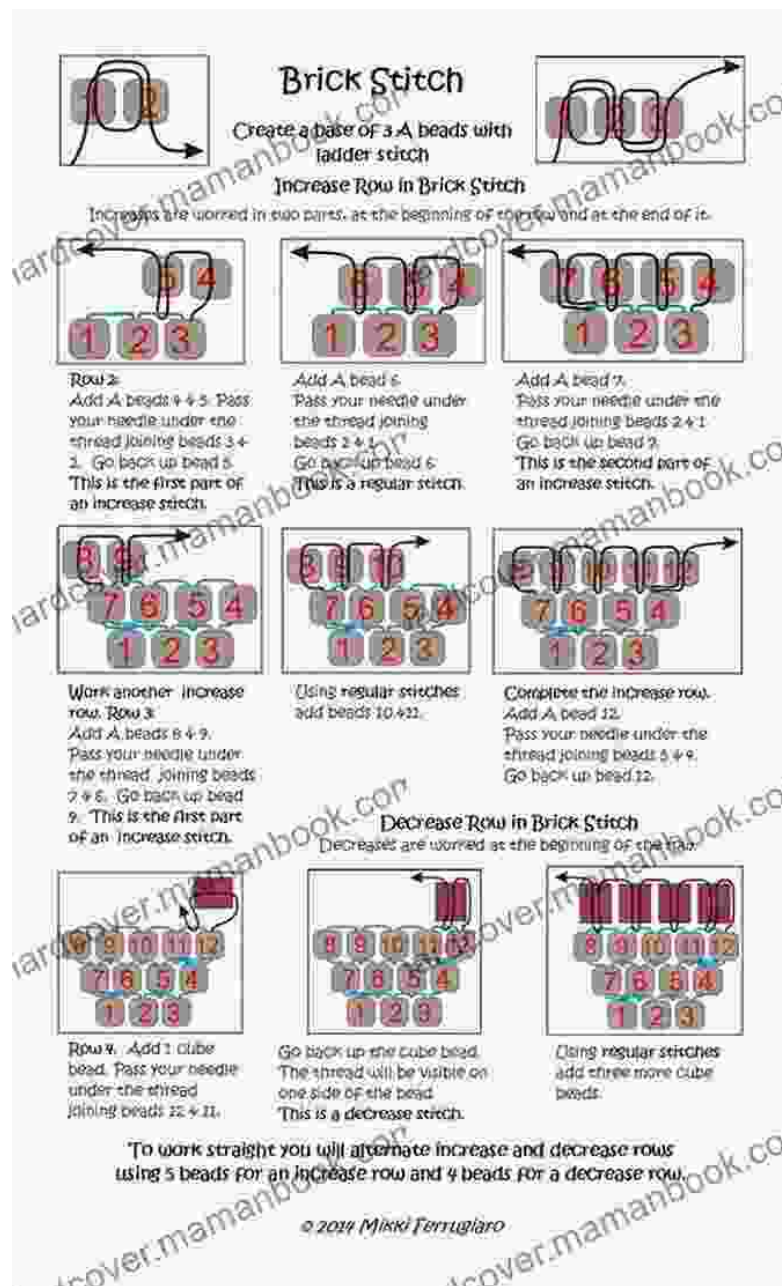

- Thread 2 seed beads onto the needle and slide them down to the last bead you stitched.

- Bring the needle back through the second bead from the bottom, as shown in the diagram below.

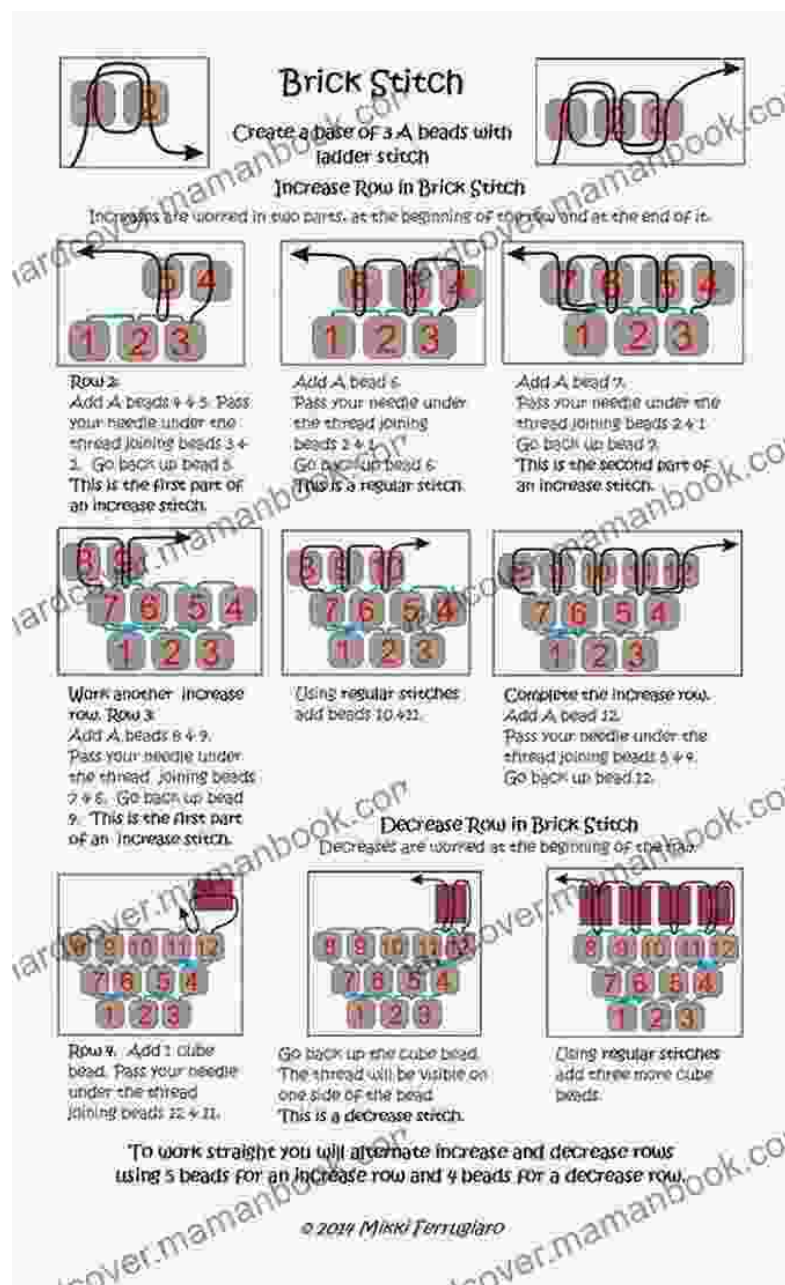

- Repeat steps 4 and 5 until you have created a row of 8 beads.
- To start the next row, thread 1 seed bead onto the needle and slide it down to the last bead on the previous row.

- Bring the needle back through the second bead from the bottom, as shown in the diagram below.

- Thread 2 seed beads onto the needle and slide them down to the last bead you stitched.
- Bring the needle back through the second bead from the bottom, as shown in the diagram below.

11. Repeat steps 8 and 9 until you have created the desired length for your earrings.
12. To finish off the earrings, thread 3 seed beads onto the needle and slide them down to the last bead on the last row.
13. Tie a knot in the thread and trim the excess.

14. Attach the earring hooks to the top of the earrings.

Tips

- Use different colors of seed beads to create unique earrings.
- Experiment with different bead sizes to create different looks.
- Add charms or other embellishments to your earrings to personalize them.

Brick stitch is a simple and versatile beading technique that can be used to create a variety of beautiful jewelry. In this article, we showed you how to make brick stitch seed bead earrings, step by step. With a little practice, you can create beautiful earrings that are sure to impress your friends and family.
