## The Silver Age Epic

Justice League of America: Volume 1, Issue 136, published in October 1967, is a pivotal issue in the history of DC Comics and the superhero team genre. This issue marked the debut of a new roster of Justice League members, including Aquaman, Atom, Black Canary, Cyborg, Flash, Green Arrow, Green Lantern, Hawkman, Martian Manhunter, Red Tornado, Superman, and Wonder Woman. This iconic lineup would go on to become one of the most recognizable and beloved superhero teams of all time.

## The Storyline

The issue opens with the Justice League receiving a distress signal from the planet Thanagar. Upon arriving, they discover that the planet has been conquered by hawk-like aliens known as the Thanagarians. The Justice League engages in a fierce battle with the Thanagarians, but they are outnumbered and outmatched. Just when all hope seems lost, the Martian

Manhunter arrives and uses his telepathic powers to turn the tide of the battle.

With the Thanagarians defeated, the Justice League learns that the invasion was led by a rogue general named H'kat. H'kat has been using the Thanagarian army to conquer planets and enslave their inhabitants. The Justice League vows to stop H'kat and his forces, and they set out on a mission to liberate the conquered planets.
