In the 21st century, corporations have become increasingly powerful. They control vast amounts of wealth, they have a major impact on the global economy, and they wield significant political influence.

This concentration of power in the hands of a few corporations has raised concerns about the future of democracy, capitalism, and society. Some argue that corporations are eroding democratic institutions, undermining capitalism, and exacerbating inequality.

The Era of Corporate Rule: Annual Schumacher Lectures 19 explores these concerns. The book features essays by leading scholars, activists, and policymakers who examine the growing power of corporations and its implications for the future.

## **The Contributors**

The contributors to *The Era of Corporate Rule: Annual Schumacher Lectures 19* include:

- Noam Chomsky, professor of linguistics and philosophy at the Massachusetts Institute of Technology
- Robert Reich, former U.S. Secretary of Labor and professor of public policy at the University of California, Berkeley
- Shoshana Zuboff, professor of business administration at Harvard Business School
- Naomi Klein, author and activist
- Bill McKibben, author and environmental activist

## **The Essays**

The essays in *The Era of Corporate Rule: Annual Schumacher Lectures 19* cover a wide range of topics, including:

- The history of corporate power
- The impact of corporate power on democracy
- The impact of corporate power on capitalism
- The impact of corporate power on society
- The future of corporate power

**The**

In the to The Era of Corporate Rule: Annual Schumacher Lectures 19, the editors argue that we are entering a new era of corporate rule. They write that corporations are becoming increasingly powerful and that this concentration of power is posing a serious threat to democracy, capitalism, and society.

The editors call for a new social movement to challenge the power of corporations. They argue that we need to create a more democratic and equitable economy that is based on the values of sustainability, cooperation, and social justice.

## The Significance

The Era of Corporate Rule: Annual Schumacher Lectures 19 is a timely and important book. It provides a comprehensive overview of the growing power of corporations and its implications for the future.

The book is a must-read for anyone who is concerned about the future of democracy, capitalism, and society.
